

6	2	8	10	2
4	6	12	2	8
8	4	10	12	6
12	2	12	10	10
4	8	10	6	4

Take turns to roll a dice.

Double the number on the dice, find the answer on the board and place a counter on it.

The winner is the first to get 3 counters in a row.
